Currently a student at The University of Central Florida pursuing my Bachelor of Science on the Clinical Psychology track. Looking to obtain a position where I can implement skills learned in previous jobs as well as continue to gain leadership skills.

**Education:**

University of Central Florida  
**Bachelor of Science**  
**Clinical Psychology Track**

Orlando, Florida  
Expected graduation: May 2023

**Work Experience:**

**Registered Behavior Technician**

Acorn Health

Orlando, Florida  
September 2021- Present

- Implement behavior programs for clients.
- Collect, record, graph, and summarize data.
- Maintain client confidentiality.

**Third Key**

Pet Supermarket

Orlando, Florida  
January 2019 – September 2021

- Lead two to four associates through daily duties.
- Guide new employees through register use as well as opening and closing procedures.
- Attained a higher position after eight months of being with the company.

**Lifeguard**

SeaWorld's Aquatica  
2018

Orlando, Florida  
February 2017 - January

- Ensured all guests are following safety procedures.
- Communicated with guests to ensure proper ride position and attire.
- Assisted in cleaning up the park after closing.

**Supervisor**

Volcom

Orlando, Florida  
July 2014 - January 2017

- Engaged with customers to the best of my ability even when faced with language barriers.
- Supervised two to four employees per shift.
- Motivated the team to push the promotions we had.

**Clubs and Organizations:**

- Psychology Career Action Distinction Program
- Internship with Type Zero
- Diversity and Inclusion Committee

**Skills:**

- Microsoft Word, PowerPoint, and Excel
- CPR and First Aid
